RE: 24 Hour Elevator Recommendation

To Whom It May Concern:

24 Hour Elevator provides a level of service that major service providers have outgrown. At Scripps Corporate Plaza in San Diego, 24 Hour Elevator solved several unexpected problems, designed a routine maintenance plan that made sense at a cost that made sense.

24 Hour Elevator is reliable, responsive, flexible, and proactively partners with the client so that asset managers can spend time driving the real estate element of the business and not worry about vertical transportation costs.

Thank you, Dave, Chris, and Eric.

Sincerely,
