To Whom It May Concern:

I am trying to figure out how not to make this a 10 page letter as to why you should have 24 Hour Elevator, Inc service your elevators. Whatever their highest award is (in their industry) they should have a whole shelf of them by now.

I was having major problems with a nationally know Elevator service and started looking around. Thank God 24 Hour Elevator, Inc was here for me. This is where the 10 pages would go but I will save you the time.

I cannot say enough about Chris Sommese, Account Manager for the company. His enthusiasm for the company that really takes care of their clients is what sold me and come to find out over this last year that he is not the only one. Every person I have dealt with from the office personnel to Dave my service tech has that same enthusiasm and desire to make sure I am totally satisfied.

Oh, by the way, I forgot to mention that their bid for yearly service was 1/3 the cost of the other major companies!

I highly recommend 24 Hour Elevator, Inc for your Elevator needs.

If you have any questions, please feel free to give me a call.
